

**FRESNO, CALIFORNIA
CLASS SPECIFICATION**

FIRE INSPECTOR SPECIALIST

FLSA STATUS:

Non-Exempt

CLASS SUMMARY:

The Fire Inspector Specialist is the second level in a five level Fire Prevention series. Incumbents are responsible for conducting more complex inspections of new and existing occupancies to evaluate compliance with codes and regulations related to fire and life safety and performing entry level plan reviews.

The Fire Inspector Specialist is distinguished from the Fire Inspector by its responsibility for performing entry-level plan reviews. The Fire Inspector Specialist is distinguished from the Senior Fire Inspector, which is responsible for making work assignments, overseeing the work of other Fire Inspectors, training, ordering and distributing supplies, preparing reports, and performing administrative tasks in the absence of the supervisor.

TYPICAL CLASS ESSENTIAL DUTIES: (These duties are a representative sample; position assignments may vary.)
